The UK Shareholders' Association warrants that any contributions made in respect of this matter will be used solely to promote the interests of the shareholders in Artemis VCT. If the committee set up to organise this campaign subsequently determines at some point that no further action is necessary, then any funds remaining will either be returned by UKSA to contributors pro-rata to their total contributions, or may be used for any charitable purpose to promote the interests of UK shareholders in general by UKSA. Money paid to UKSA for this campaign will be accounted for separately, and any expenses incurred likewise, and a statement of income and expenses will be supplied to contributors at appropriate points in time, but no less than annually. The UK Shareholders' Association (UKSA) is a "not for profit" company limited by guarantee – see www.uksa.org.uk/About.htm for more information. The Artemis VCT Group is a group operating under the constitution of UKSA.

All Artemis VCT shareholders responding to this appeal are invited to take advantage of a first year 50% discounted subscription offer for membership of the UK Shareholders' Association, which exists to serve and promote the interests of all private shareholders. To take advantage of this offer, please do not send a cheque but complete and return a [standing order form](#), or call 020 8468 1027 for more information.
